About Us

Founded in 1999, we, Omkara Hills, have been at the forefront of the Ayurvedic products market by offering a remarkable range. We are a manufacturer and supplier of Omkara Hills Orthomate Oil, Slim and Active Capsule, Tulsi Droplet, Diabetes Care Products, and many other products. Our products are manufactured using the finest herbs sourced from reliable vendors. We have been providing our customers with premium products that are free from side effects and helpful in the treatment of numerous diseases. We deliver our products across the country with the help of a wide-spread distribution network.

As an experienced organization, we understand the importance of a team of experienced members. Therefore, we have hired a team of experts who are well-versed in the industry. All the team members put forth their best efforts and communicate with each other to help our company achieve its set goals. In order to boost the skills and morale of our team members, we make sure to regularly organize training sessions and workshops under the supervision of industry veterans.
